

# ***LASER S.O.S.***

## **FIBRE OPTIC CABLE REPAIRS**

***Laser SOS*** are now offering a refurbishing service for Mitsubishi and SMA type optical fibres (high power fibres only)  
Depending on damage we can offer three types of repair:

**1. Part Number: FOREFURB01**

**Standard refurbishing:** This service includes total inspection of the fibre, pipe cleaning, checking connectors and relapping of each end of the fibre.

**2. Part Number: FOREFURB02**

**Standard refurbishing +1 connector:** This includes the above plus replacement of one end connector.

**3. Part Number: FOREFURB03**

**Standard refurbishing +2 connectors:** This includes the above plus replacement of both end connectors.

**A WORLDWIDE SERVICE FROM A WORLD CLASS COMPANY**
